

From Group Pools to Single Self-Insured Risks and RRGs

We lead the way with our innovative approaches to alternative risk financing. Our professionals blend product knowledge with negotiation skills to deliver a finely honed coverage product.

As specialty brokers, we make extensive placements in all lines of coverage for self-insured pools and single self-insured risks. Whether excess property/casualty, workers' compensation reinsurance, or primary public officials' errors and omissions, we negotiate the best coverage, terms, and rates for you. We provide well written treaty wordings supporting reinsurance placements.

We will design programs that are tailored to the clients needs to provide an array of reinsurance objectives including limiting liability and catastrophe protection to stabilization of operating results and increased capacity. We work with the client to analyze their coverage needs and identify exposures to then develop a customized reinsurance structure.

Intermediary Services:

- Analyze coverage needs & identify exposures
- Analyze loss history
- Develop/recommend customized reinsurance structures
- Negotiate terms and conditions of reinsurance contracts
- Provide administration of reinsurance agreements in conjunction with The Sandner Group - Claims Management

We strive to build and maintain long-lasting relationships with our clients and reinsurance markets through consistent and honest practices intended to create profitable relationships for both. With the ability to take a long-term perspective to focus on our client's needs combined with our industry knowledge and experience, it enables us to negotiate terms and conditions best suited to the customer's requirements.

Contact us today to see how Brokers' Risk can provide a customized solution to cover your reinsurance needs.
